

2019-2020 iPad Take Home Program Opt-Out Form

The mission of Springfield Middle School is to provide our students with learning opportunities that will prepare them for success in a professional world that is yet to be defined. The focus of the iPad Loan Program is to provide tools and resources to extend and enrich learning beyond the school day. As such, all students at Springfield Middle have been assigned an iPad that they are expected to use in class and at home for instruction.

You may “opt out” of the iPad Take Home program for the 2019-2020 school year. **By signing below, you agree that your child will NOT be bringing home an iPad to use for instruction.**

Please note: We strongly encourage all parents, even those opting out of taking home an iPad, to purchase iCoverage insurance to cover loss, theft, or damage of the iPad. For more information, please see our website at <http://www.springfieldmiddle.com>.

I do not want my child to bring home a WCPS iPad for the 2019-2020 school year. By signing below, I understand that my child will be assigned an iPad for use during the school day and that he/she is responsible for the care of the iPad. I understand that my child is still responsible for completing any assignments given by his/her teachers. I understand that I may authorize my child to take home an iPad for the 2019-2020 school year by sending in a note stating my preference for my child to take home an iPad.
