Section 9(b)(6)(A) of the NSLA (42 USC 1758(b)(6)(A)) authorizes the limited disclosure of children's free and reduced price meal or free milk eligibility information to specific programs or individuals, without prior parent/guardian consent. Except that, the parent/guardian must be provided the opportunity to decline to share eligibility information prior to the disclosure for identifying children eligible for benefits under or enrolling children in the State Medicaid Program and the State children's health insurance program. Additionally, the statute specifies that for any disclosures not authorized by the statute, the consent of children's parents/guardians must be obtained prior to the disclosure.
