How to Enroll in iCoverage using My School Bucks

- Go to <https://www.myschoolbucks.com>
- If the family (Student) does not have an account, follow the easy steps to create one.
- Log into your account
- Select Technology Fee
- Next page will show you iCoverage Fees for Grades 3-12.
 - Select the current grade the student you are registering for will be attending during the 2017-2018 school year.
 - Select Add Student.
 - Complete student information
 - Scroll to bottom of page and select Add to basket
 - Once added to basket ; the shopping cart icon will show how many items have selected for purchase.
 - If buying iCoverage for more than one student, go back to Add Student and do the same process. Each will add to the shopping cart.
 - When finished adding student information, click on the shopping cart and complete payment information
 - Select Place Order
 - Pay through My School Bucks using a credit card, debit card or echeck.
- A confirmation from My School Bucks will be sent once the payment is accepted. Advise to keep this email as proof of payment..

Enroll for iCoverage using cash or check as your payment.

- Enroll with designated school personnel
- Provide student's name and other information as requested.
- Submit cash or check. Your school will record the information in case you need proof of iCoverage throughout the school year.

Families with more than 3 students, will only be expected to pay \$45 total. The oldest student will be manually enrolled in iCoverage if all other children have been enrolled and payment accepted.
